SPECIAL CONDITIONS

CODE	Explanation
1	To be able to start educational process in this program, the candidate first has to document his/her sufficiency level of Turkish Language and be successful in the exam (get a B level grade)
2	These departments accept students only with BAUNYÖS exam and candidates who pass the exam will also have a Special Abilities Exam in their departments.
3	These programs are taught at Night Shifts (Evening Programs). The lectures of Evening Programs start after the day courses.
4	It is important to be able to use hands and fingers skillfully to be successful in this program.
5	This department's students have to wear the necessary uniform in their applied lessons.
6	Only female students will be accepted for this program.
7	For this program, the student shouldn't have any verbal, audial and visual disabilities.
8	The language of instruction for this program is English in major area courses.
9	In order to attend this program, the students have to take a committee health report from a full-fledged hospital (the university can propose you the hospital if you wish) which shows you don't have any mental or physical disability that will prevent you having this job during the education and after it.
10	In order to register for this program, the candidate must have no visual disability.
11	Internship is compulsory in this program.
	<ul style="list-style-type: none"> - You may be asked for some other documents during the enrolment process by the related departments. - The tuition fees shown belong to 2019-2020 Academic year. New amounts (2020-2021) of tuition fees for foreign students may be updated by the University Board Decision after the announcement of the contribution amounts for the Turkish students by the Presidency. - Registration cannot be made even if placement is made in the sections where quotas are not given / closed by OSYM. - *Students will be accepted in accordance with the principles of Turkish Higher Education Council regarding the admission of students from abroad: For the students; who "have the opportunity to apply for student admission quotas from abroad and have blue card / have completed their high school education abroad (except TRNC) and have T.R. Nationality / have double nationality including T.R.; the quota should not exceed 10% for Teaching, Law, Medicine and Dentistry programs.
